

Simply Business

As an OnTheMarket agent, you can now benefit from our exclusive partnership with insurance provider Simply Business. Their four new insurance products are available for both sales and lettings agents, and are designed to provide more security and protection for your business.

Benefits

- Access to these products provides you with greater choice when renewing your annual business insurance policies
- You'll get an easy to use, fully digital bespoke insurance experience that delivers great value
- It allows you to compare your current insurance policy benefits against one of the leading insurance providers, already trusted by over 900,000 small UK businesses for flexible and tailored cover

How does it work?

To start your quote, log in to your OnTheMarket Expert account and select 'Business insurance' under 'Partner Services' in the top menu. All four insurance products are provided by Simply Business MGA (Managing General Agent) and provided through Simply Business.

1. Professional Indemnity Insurance covers you in circumstances where your client loses money as a result of negligent advice, services or designs. This insurance covers legal fees and compensation payments if a client loses out financially or professionally and is available in multiple bandings
2. Public Liability Insurance is designed to protect against third party claims for injuries or property damage from a client to a passer-by or visitor to the work premises, whether the business is at fault or not
3. Business Contents Insurance covers the cost of replacing equipment and furnishings in your business premises if they are lost, stolen or damaged
4. Employer's Liability Insurance is a legal requirement for most UK employers, designed to protect you and your employees if they are injured or become unwell as a result of working. It covers the associated legal compensation costs and damages to give you both peace of mind
