

Vaboo

As an OnTheMarket agent you can propel your lettings business to new heights by capturing game-changing insights from your landlords and tenants with Vaboo's loyalty and rewards platform. Provide your customers with access to 100s of great offers, discounts, giveaways from national brands and even the chance to win a months' free rent, while gathering valuable insights.

What customers think
of your service

When customers want
to buy or sell property

What services customers
would pay extra for

How does it work?

Your dedicated client success manager will customise the platform to your brand including logo and brand colours. You can also add links to promote your maintenance tools, other services you offer or local businesses.

Benefits

- Make your brand stand out in a crowded property market with a fully branded customer loyalty and rewards platform
- Retain more landlords and win new instructions through referrals
- Boost customer satisfaction by 45% in one year
- Gain valuable insights from tenants about their renting experience and future plans
- enabling you to secure tenant property purchases
- Minimise void periods and build incremental revenue streams
- Easy to use, cost effective and quick to implement
