# Your property search just got serious

Be one of the first to see thousands of exclusive properties each month. Many of our agents list their properties as Only With Us, meaning they're exclusively available at OnTheMarket 24 hours or more before Rightmove or Zoopla\*.

## Excellent search experience

Our website gives you a seamless search experience, free from third-party adverts, simplifying the process of finding your next home. Whether you're searching on your laptop or desktop or on the move using your phone or tablet!

## Want to search multiple locations?

Search up to three locations and receive one set of results with multi-location search.

Simply switch on the toggle when searching.

## MyPlace

Explore features that will make finding your next home even easier with MyPlace, your personal property hub.

### Very Important Places (VIPs)

Very Important Places show how far away properties are from the places that matter most to you. For example your friends and family, work or the gym.

### Search and collaborate

Share properties with friends and family by inviting them to your property lists. You can chat with each other directly without leaving our app.

### Show agents you're serious

Switch on the 'I'm Serious' toggle to be taken more seriously by agents when requesting a viewing or valuation.

## Got a property to sell?
